# PORN BRAZIL

Porn is a ritual. In ancient times, porn was used by both male and female occult shrine and temple prostitutes to worship incorporeal entities (demons).

They prostituted their bodies as a form of religious sacrament and worship. In doing so they were initiating many host bodies for the incorporeal entities to use (demons).

Those incorporeal entities have been here on earth since days of old, when their forefathers, who were angels lusted after the daughters of men and came down to earth and took for themselves wives who bare a hybrid race of beings, who upon death, became the demonic entities. The women also of these fallen angels became demonic sirens.

These fallen angels taught all witchcraft and occult knowledge. They taught them MAGIC, SORCERY, INCANTATIONS, CHARMS AND SPELLS. \*Charm is the power or quality of giving delight or arousing admiration. \*Spell an invocation or hex, a set of words, spoken or unspoken, which are considered by its user to invoke some MAGICAL effect. Spells can be used in calling upon or summoning a demonic spirit and may employ mind altering substances AND PORN.

Porn is thus a means of summoning the demons.

Today porn has an astronomical impact on the human race. There are 12.5 videos of porn for every person on the planet. Porn is now arguably bigger than all the world religions combined.

In 2017, pornhub site alone received 28.5 billion annual visits from porn pilgrims. A total, 595,482 hours of video were uploaded to pornhub, the equivalent of 68 YEARS of porn if watched continuously and enough data to fill the storage of all of the world's iPhones!

When watching and indulging porn, one essentially enters into an altered and highly suggestible state of consciousness.

The porn triggered trance makes people wide open to demonic entities that feed off of sexual perversion causing many people to be insatiable, addicted, aggressive, depressive and indulging in all manner of wickedness.

Just like many mind altering drugs, porn causes massive addiction. Unlike drugs which many have to pay for, porn is freely available, because it is a portent weapon the illuminati use to further their evil agenda.

When porn went digital, the industry was consolidated and taken over by powerful shadow interests. Those interests are represented by a handful of giant corporations.

These corporations make their money through big data. They sell data to many corporations who take advantage of the entranced and highly suggestible porn users to advertise many things to them in billions of ad impressions a day. In this way, porn users are prostituted to make money for many illuminati corporations.

The real masters and controllers of the illuminati are demonic entities which thrive off of sexual sin and other related transgressions.

Porn is thus an evil illuminati Babylonian sex magic psyop, deployed to influence billions of people to accept and obey the illuminati agenda. It is a weapon of mass destruction, facilitating the evil agenda against mankind and creating many mind controlled slaves.

When one visits a porn site, their bodies, computer or mobile device essentially gets inhabited, tagged and tracked by demons and also by the illuminati technology.

Porn websites know so much information about users. They are essentially **BIG BROTHER WATCHING YOU** and they continue watching you long after you visited their site even if you did not subscribe, even if you are offline.

The last page in this publication details the one and only proven and tested way out of porn.

Please share this publication with as many as you can, this information needs to get out to the masses.

# Redtube & Brazil

Eae galera! With the arrival of the much anticipated Carnaval do Brasil, the Redtube team decided it was time to crunch the numbers and look at the viewing habits of our fans in Brazil, the country ranking 2nd in terms of traffic volume to our site. The trends in searches and traffic during Carnival drastically change. As you will see, Brazilians can take the party from the streets to the Redtube search bar.

Furthermore, we are also offering our Brazilian fans some general data on their porn habits. Thanks to our statisticians, we discovered that Brazilians enjoy being on top. As you'll notice from our coverage, Brazil seems to excel in more than one explored trend! Without further ado, let's see what the numbers had to say, starting with Carnival trends.

## **Curta bem o Carnaval!**

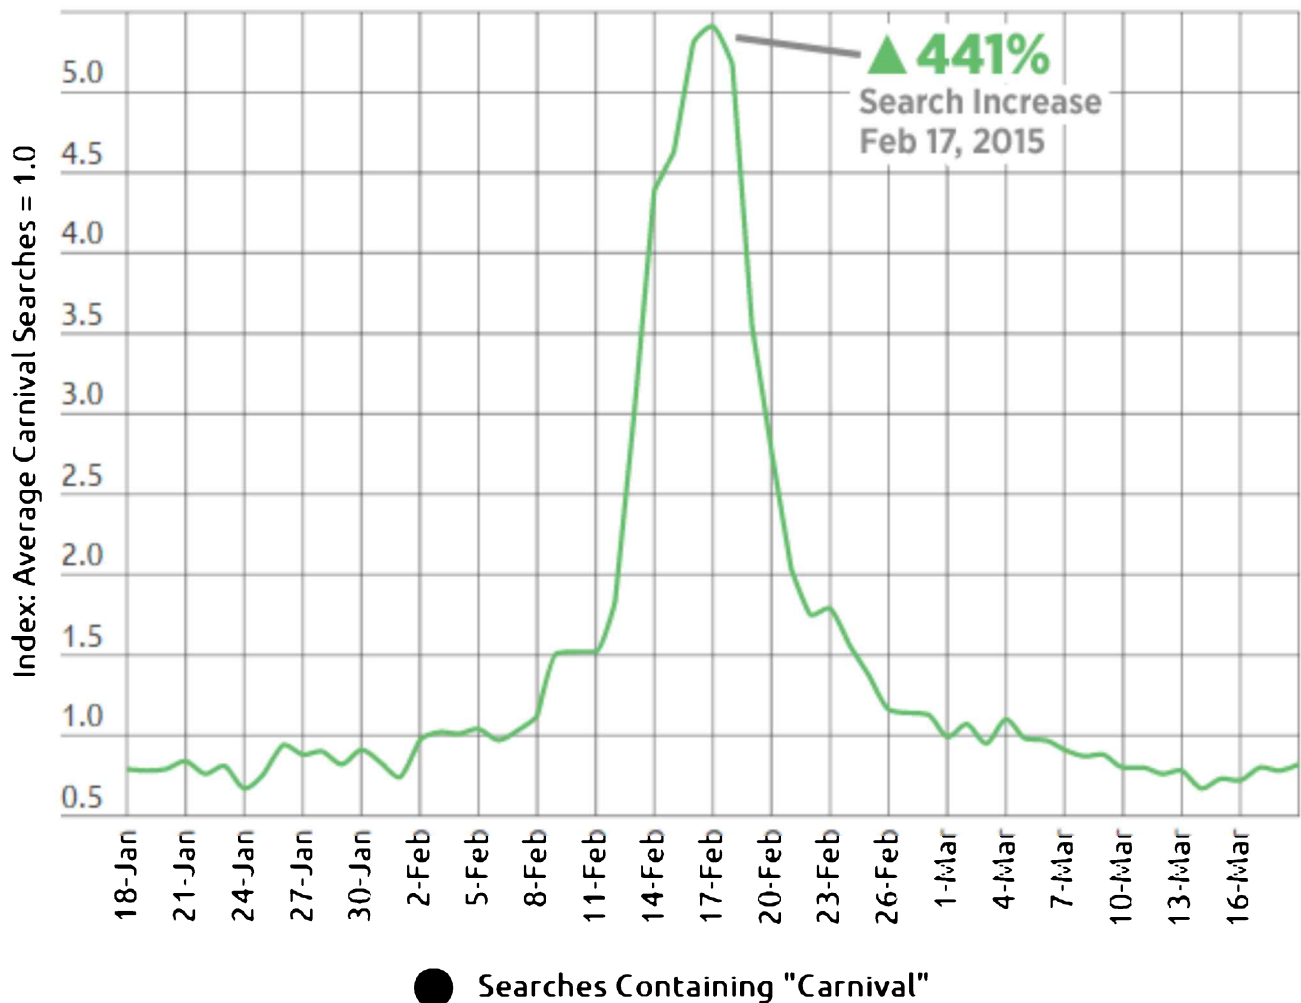

Redtube Statisticians decided to dig deep and look at the impact of traffic and trends that occur on our site during Carnaval do Brasil. As you can see, searches that include the word "Carnival" saw an increase of 441% on February 17th 2015, which marked the final day of Carnival last year.

Although “Carnival” sees an immense increase in search, we also see an important 17% drop in traffic during Carnival Festivities. This drop is then followed by a 3% increase in traffic once the festivities come to an end. Could this mean that when the party is over, our Brazilian visitors take some much needed alone time?

Seeing the impact in general traffic, we also looked into regional traffic changes occurring in Brazil during the Carnival. The biggest drop is noticed in Rio de Janeiro, with a 19% decrease in traffic. Overall, during Carnival, it seems Brazilians have less time on their hand(s).

After “carnival” which is the top searched term, Redtube visitors make all sorts of interesting searches, from “carnival panteras” to “orgy carnavail” and “carnaval amateur party”. The Carnival helps bring people together, and two of the top 5 popular Carnival searches include some other forms of wild group

Our Brazilian fans seem to innovate in more than one way when it comes to porn. Our statistics show that Brazil has an 8% higher proportion of female visitors when compared to the world average. Valeu ladies! Brazilians also prove that they are heads and shoulders above the device game: 65% of users visiting Redtube use their mobile phones, which is 15% above the world average. Lastly, Brazilians seem to know how to make pleasure last longer. The average Brazilian visitor will spend 31 seconds longer on Redtube than the rest of the world. Impressive!

## Wild Searches

Patriotism seems to be strong in Brazil with search terms like “brasil”, “brasileira” or “brazilian” making the top of our list, but one Redtube

search term particularly caught our eye in the top 10: “hentai” which is animated Japanese porn. It should come as no surprise. After all, Brazil has the largest Japanese population outside of Japan, where this content is popular.

## Most Popular Search Terms

[pornhub.com/insights](https://pornhub.com/insights)

An interesting relative search term stuck out to our statisticians: “panteras”. Does that pique your curiosity? In Brazil the term “panteras”, or “panther” in English, is the equal of our known “cougar”. It stands for an

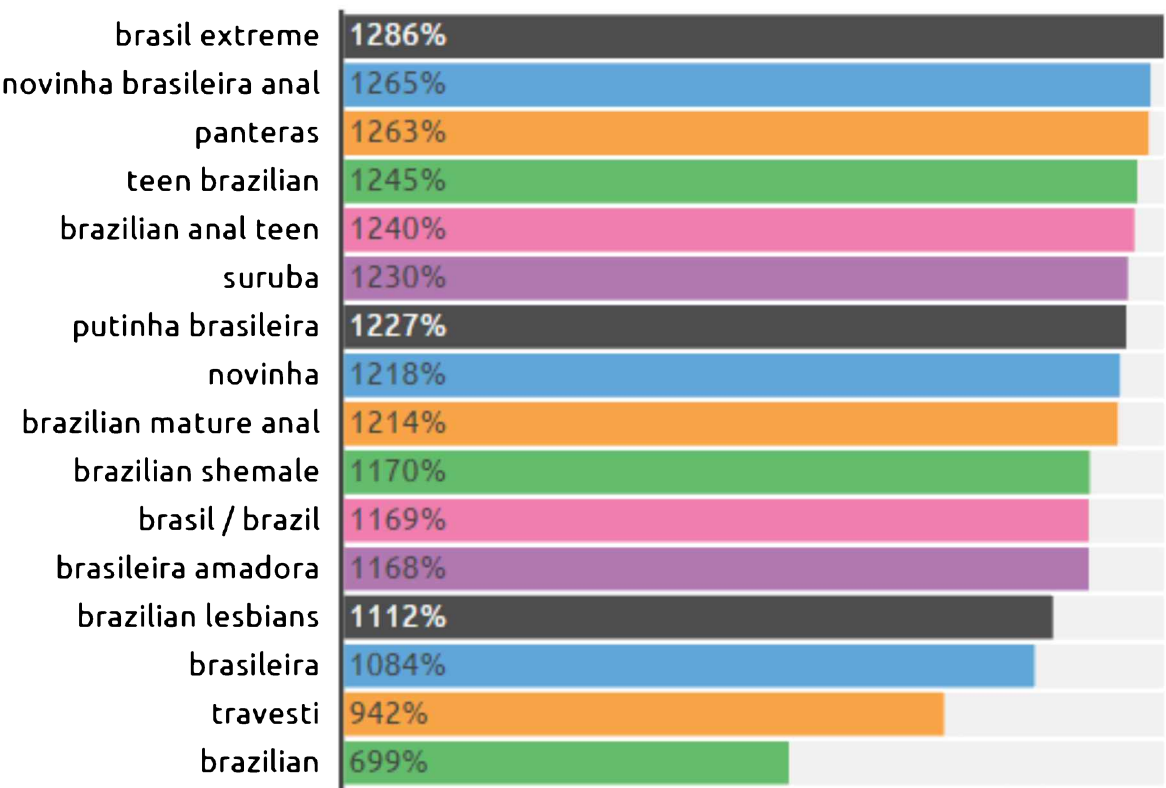

older, voluptuous and seductive woman.

# Pornhub & Brazil

[4 comments](#) January 14, 2015

As Brazil was the focus of the world this past summer, it sparked our Pornhub statisticians to look into the porn viewing habits of Brazilians and see what insights we could share. So without further ado...

## 8th Worldwide

Number of Daily Visitors to Pornhub

Brazil is the 5th largest country in the world, both by geographical area and by population. More importantly, Brazil and its nearly 200 million porn loving citizens are the 8th most trafficked country to Pornhub.

### Monday

Most Popular Day

### Saturday

Least Popular Day

More Brazilians visit Pornhub on Mondays than any other day of the week, and they're least likely to visit on Saturday. We found much the same

results in our 2013 Year in Review.

 **January**  
Most Popular Month

 **June**  
Least Popular Month

January set the record for the most visits from Brazil, while June become the least visited month. In 2012 and 2013 it was September and February that were the most and least popular respectively.

## **Brazilwood – Hard wood or soft wood?**

The average Brazilian spends about 8 minutes 3 seconds each time they visit Pornhub and looks at 6.4 pages. That's well below the world average of 8 minutes 56 seconds and 7.6 pages.

 **8 minutes**  
Average Visit Duration

 **6.4 pages**  
Average Viewed Per Visit

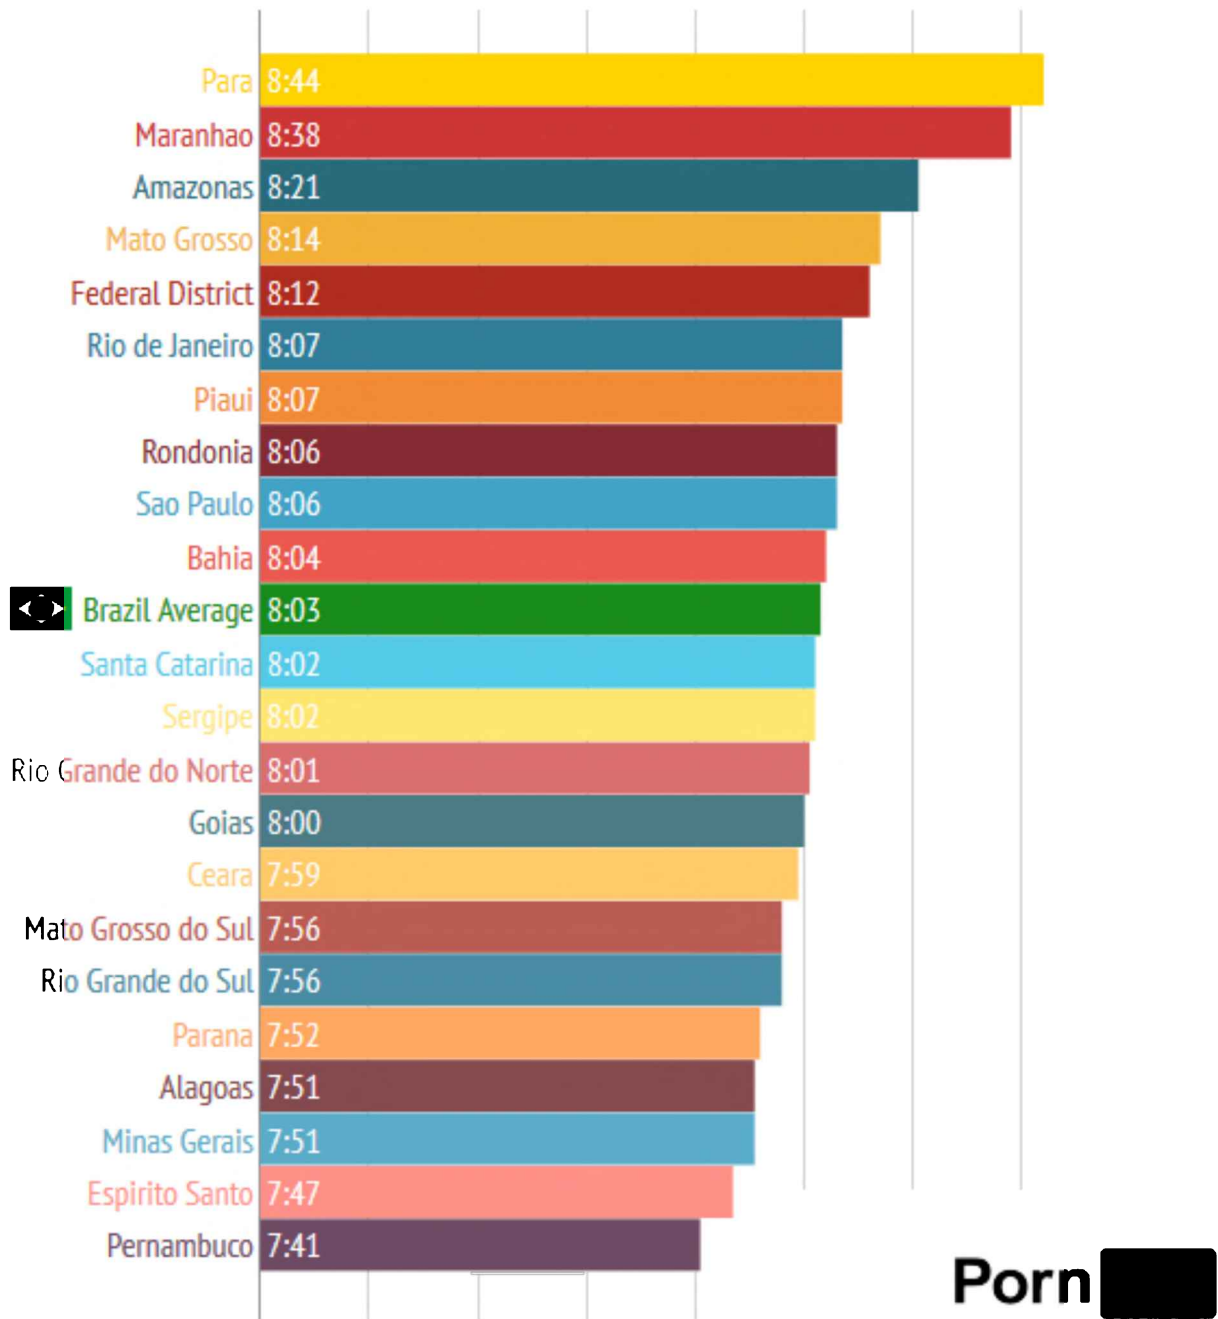

That doesn't necessarily mean that Brazilians swap their hardwood for softwood any faster. They might just be better at finding the right video on Pornhub to get the job done.

The following heat map shows us what regions have the longest and shortest durations, as well as the most and least pages viewed.

The northern region of Amapa has the longest duration visits at 9 mins 41 secs, however it also sends the least amount of traffic to Pornhub. Para has the second longest duration at 8 mins 44 secs, but sends 12x more traffic to Pornhub than Amapa.

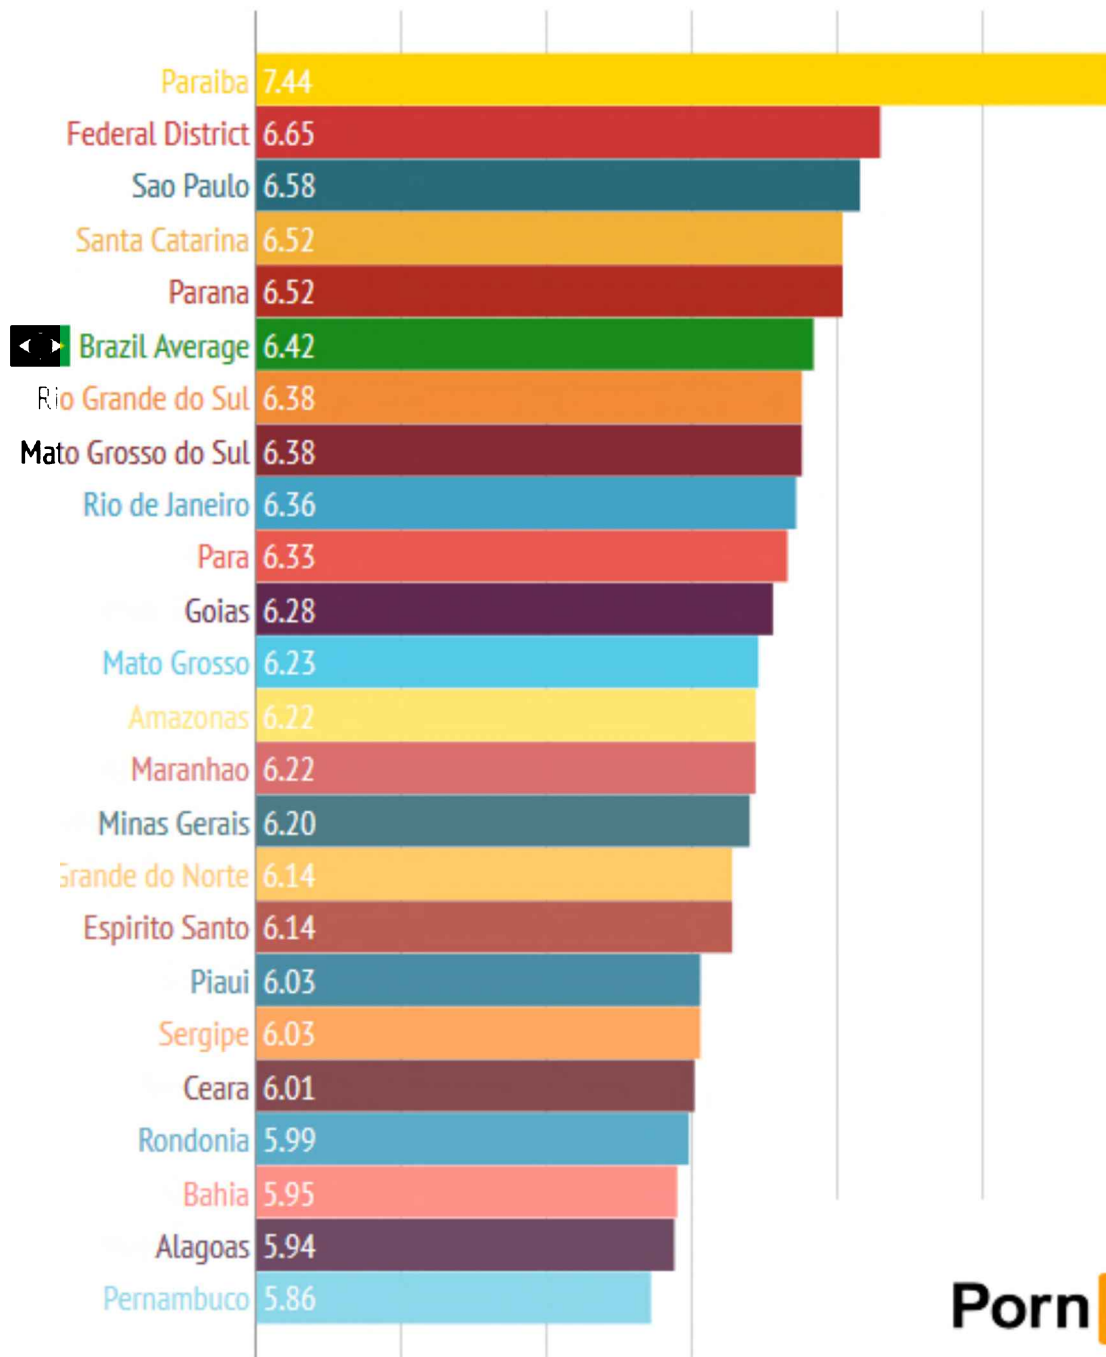

The quickest region to come and go is Pernambuco at only 7 mins 41 seconds. They also view the least number of pages while there – only 5.86. Paraiba views the most pages (7.44) by a pretty wide margin and it also ranks 7th for overall traffic to Pornhub.

# Average Visit Duration - Brazil

The regions that send the most traffic to Pornhub are Sao Paulo and Rio de Janeiro. Sao Paulo sticks around for 8 mins 6 seconds and views 6.58 pages. Rio de Janeiro comes close at 8 mins 7 secs, but only views 6.36 pages on average.

## Brazilian Bliss

The two most popular search terms are “Brazil” and “Brazilian”. We’ve combined those with the results for “Brasil” and “Brasilian” respectively. That’s a trend we’ve discovered the world over, where people search the most for videos with their own nationality or ethnicity. For example, Germans search for Germany and Mexicans search for Mexicana.

# Top 25 Search Terms - Brazil

**Porn** hub

The only region where another term appears in the top position is Paraiba, where they search for “xxx”. Another very common term throughout Brazil is “panteras”, which means panther but also known as a “cougar” elsewhere in the world. Conversely, searches for “teen” videos are also very popular.

Use the drop-down list in the upper right corner of the following chart to see the top search terms by region.

## Brazilian Babes

Brazil has a very high proportion of pornstar names in their top searches. Out of the top 30 terms, half are pornstar names. By far the most popular one is Brazilian babe “[Julia Paes](#)” (link NSFW) who hails from Sao Paulo. In fact most of Brazil’s most searched for pornstars are from Brazil, including Marcia Imperator, Vivi Fernandex, Bruna Ferraz, Monica Mattos, Cinthia Santos and Alexandre Frota.

**Porn** 

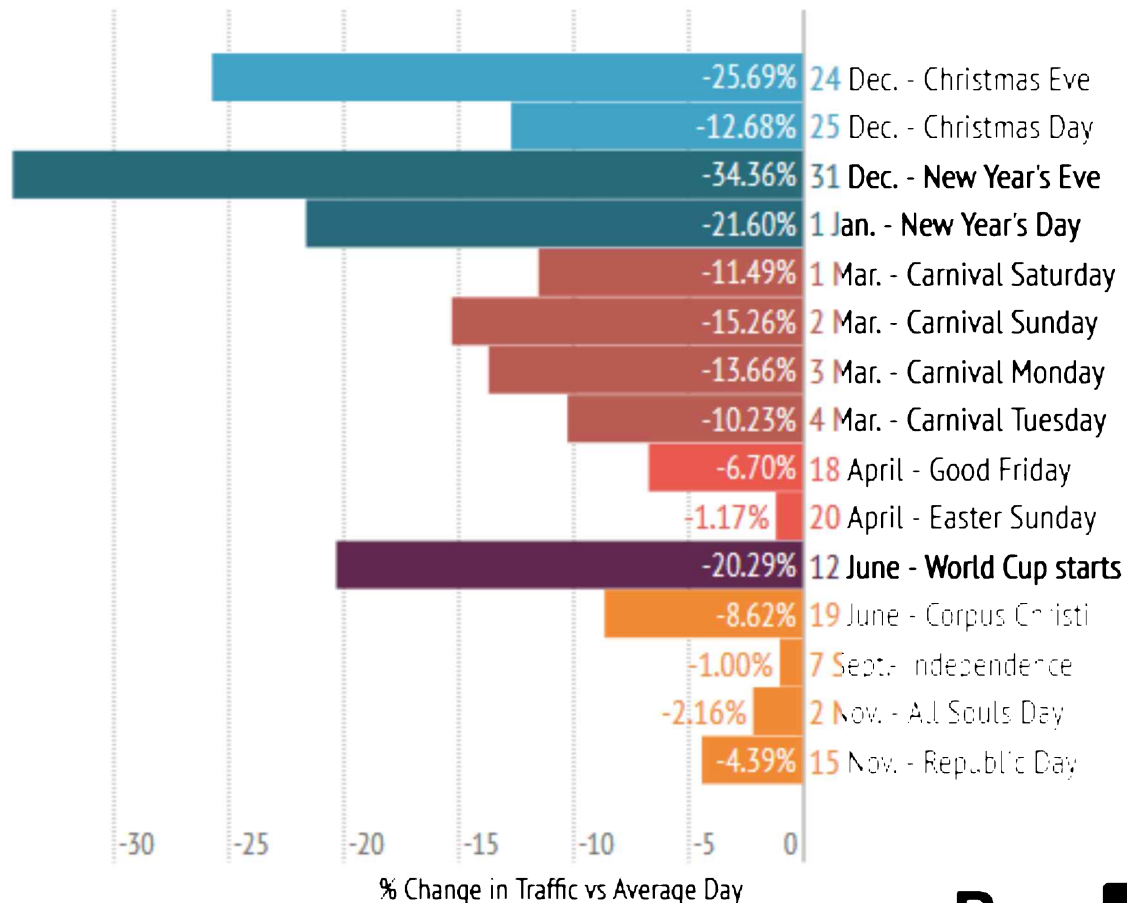

We're not sure if Brazilians have a higher than normal interest in homegrown beauties or perhaps Brazil is just a breeding ground for incredibly hot pornstars. Either way it's a win win situation for Brazilians.

Two male pornstars are among Brazil's most searched – Kid Bengala and Alexandre Frota who both happen to be Brazilian as well. It seems the Brazilian pornstar gene is not limited to the x or y chromosome.

## **Brazilian Breaks**

We've seen before that holidays and events can affect traffic to Pornhub, and Brazil is no exception. Christmas Eve sees a 25% drop in traffic to our site, but that's nothing compared to New Year's Eve when 35% less Brazilians visit Pornhub. At the beginning of May we also see a drop of 10-15% during Carnival.

# Holiday Traffic Changes - Brazil

Porn

During the 2014 World Cup traffic was up and down all over the world as fans tuned in to watch their country play. On June 12 when the games kicked off, we recorded a 20% drop in traffic from Brazil compared to an average day. To see more results from the 2014 World Cup check out our posts about [World Cup Traffic](#) and [Nationality Searches](#).

For now we'll say *tchau* to Brazil. We're off to check out more of these Brazilian pornstars. Stay tuned for more insights to come!

The kingdom of heaven has come near !

## Porn Deliverance

I say to the true people of God, now you must come out of her! Come out of pornography!  
Come out of mystery babylon, the harlot!

Then I heard another voice from heaven say:

“**Come out of her, my people,**  
so that you will not share in her sins,  
so that you will not receive any of her plagues;  
for **her sins are piled up to heaven,**  
and **God has remembered her crimes.**” Revelation 18:4-5

Those who want to come out of pornography and never return to the filth, let us repent  
and return to JESUS right away,

Say,

Dear Jesus, Mighty Father, Precious Holy Spirit. I am sinner. I have sinned against you and  
against my own body, which is the temple of the Holy Spirit. I have defiled your temple  
with sexual sin, pornography and wickedness. I have become the body of the harlot.  
Please forgive me. Disconnect me from the mystery babylon spirit and all unclean spirits.  
Disconnect me from filthy jezebel. Disconnect me from all ties to demonic spirits.  
Disconnect me from spiritual ties to satan. Make me clean LORD JESUS, make me once  
again into the temple of the HOLY SPIRIT. Help me not to be defiled again. Help me  
JESUS not to return to sexual sin and porn. I repent of idolatry, lies, and all wicked acts.  
Please forgive me. Today I am born again and I am receiving you JESUS, I am receiving  
you FATHER, I am receiving you HOLY SPIRIT. Amen.

WARNING!

“**Flee from sexual immorality.** All other sins a person commits are outside the body, but  
whoever sins sexually, sins against their own body. Do you not know that **your bodies are**  
**temples of the Holy Spirit**, who is in you, whom you have received from God? You are  
not your own; you were bought at a price. **Therefore honor God with your bodies.**” 1  
Corinthians 6:18-20

If you REJECT THIS INSTRUCTION, THEN YOU HAVE REJECTED GOD, for it is  
written,

**“For God did not call us to be impure, but to live a holy life. Therefore, anyone who rejects this instruction does not reject a human being but God, the very God who gives you his Holy Spirit.” 1 Thessalonians 4:7-8**

May the LORD JESUS write and keep the names of all who have repented here. Amen.

Shalom.
